WASHINGTON, D. C.,  
*January 14, 1935.*

## REPORT TO THE PRESIDENT

The PRESIDENT.

*The White House.*

SIR: This is a report of the Notice of Opportunity to be Heard on an amendment to the Supplementary Code of Fair Competition for the Wholesale Stationery Trade, a Division of the Wholesaling or Distributing Trade. The amendment which is attached was presented by the Divisional Code Authority for the Wholesale Stationery Trade and has their approval.

The amendment contains the maximum discount terms allowed in the instance of sales where additional dating is given. These terms were approved on April 21, but were inadvertently omitted when certain amendments to the Code were approved on September 10, 1934.

This amendment appears to be in no way contrary to established NRA policy.

### FINDINGS

The Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code, having found as herein set forth and on the basis of all the proceedings in this matter:

It finds that:

(a) The amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation, Subsection (a) of Section 3, Subsection (a) of Section 7 and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the aforesaid amendment on behalf of the Trade as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons this amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*

JANUARY 14, 1935.
